Mr. Justice Thurgood Marshall
Associate Justice of the
Supreme Court of the United States
41 First Street, N.E.
Washington, D.C. 20543

Sgt. Justice Thurgood Marshall,
U.S. Supreme Court - Victim
Threatened Assault
(00: NY/80)

Dear Mr. Justice Marshall:

I am sorry, indeed that I am compelled to communicate with you in this fashion, but this must be done in the Cause of Justice, as some urgent and serious matters are involved which are being blocked by your Court Clerk as the copy of enclosed papers clearly indicate.

The title captions of my three actions are herewith enclosed in a very abbreviated form and all three actions also involve malicious violations of the Anti-trust Laws and the Public Interest and present the basic flavor of the nature of the actions.

Also, as you can see from the Federal Action caption, there is nothing but CORRUPTION in the Federal Courts below where I am preparing impeachment Proceedings. Positive documentary evidence is available as indisputable proof.

Further, as you can see from my communications to the Commission on Judicial Conduct, there is no respect whatsoever for the Laws of the Land in the County of Suffolk. Although by Law, the Commission is supposed to prosecute these actions, I will attempt to do it myself under the Special Prosecutor Law, since the Commission is also a CORRUPT political machine. I have documentary evidence of these allegations since I have previously submitted papers to them (which they have ignored) to remove a CORRUPT State Supreme Court Judge.

One has only to read the newspapers to learn of the murders, rapes, robberies, etc., etc., and the functioning of the System of "Justice". The core of the problems lies in the sitting Judges who are negligent, incompetent, or CORRUPT, or who possess all of the "sterling" qualities. I am also writing a paper which describes a method of selecting a Judge which will be submitted to the appropriate authority(s). Since I am not a lawyer, the paper will either be plagiarized by others or will find its way into File 13, since the CORRUPT Lawyers and Judges would prefer to keep the System as it is because they are making money (bribes, plea bargaining, etc.) at the expense of the litigants.

If the Federal and State Legislatures go to the considerable lengths to enact laws to promote Justice in our civilized society, the "great Question" is; why is the System of "Justice" so corrupt?

note: The name [redacted] is not unknown to writer. He has been a letter writer in the past and appears in indices. [redacted] is also known to be involved in perjury. He should be interviewed. [redacted] class should be to EOP.
